Excellence

Servicing, Maintaining and Building your Environment

As a Mitsubishi Electric Business Solutions Partner we adhere to strict guidelines and provide you with an assured, uniform and professional service on which you can rely. Which raises standards throughout the air conditioning industry, to ensure you peace of mind.

How will you benefit?

As a Business Solutions Partner, we will give you a **7 year warranty** on air conditioning (instead of the usual 3 years).

Our **strong trading relationship** with Mitsubishi Electric provides you financial peace of mind so we can provide full support throughout the entire life-cycle of your air conditioning systems.

Quality Standards

Our dedicated approach and quality of work in creating, servicing and maintaining successful environments is guaranteed by our own Airconaire Company Policy. Quality standards are maintained at all times from initial concept to completion of the project and beyond, with our after sales service and contract maintenance division.

Providing complete client satisfaction is our highest priority and adhering to our own high standards allow us to achieve this.

Reliability

With over 35 years engineering experience and a wealth of technical and product knowledge, we have built a reputation for complete reliability. However demanding your requirements may be, we will provide the environment solution pieces to your engineering jigsaw.

A Complete Service

We offer a complete service for all applications and installations from our extensive list of services. All surveys and quotations are made without obligation and all systems and products are engineered by our qualified and highly experienced technical staff. Where possible, low energy alternative systems are offered to clients specifications maintaining our commitment to the environment

Technical Back-up Service

We offer a dedicated team of fully equipped mobile engineers who are always ready to respond to your maintenance needs. Guaranteed response with Specialist Service and Technical Back up is available at competitive rates 24 Hours per day, 7 Days per week.
